Incident/Crime Alcohol Violation	Incident # 09-094776	Reporting Deputy Sgt B. Licking	Serial # S1122	Location of Occurrence Desert Tortise Shoreline (Lake Pleasant Park)
-------------------------------------	-------------------------	------------------------------------	-------------------	---

**Narrative**

On 05/23/09 at approximately 1330 hours I was dispatched to the Desert Tortise Shoreline area of Lake Pleasant Park, for a call for service regarding campers who were arguing about their camp spaces.

Upon arrival I contacted the complainant who said that although they did not have a problem any longer with their camp space, they had seen a woman allowing underage teens to drink alcohol. I responded to the group and saw several young girls and two woman standing around an orange tent with at least one "Bud-Light" beer can on the ground.

I asked how many of the girls under twenty one had consumed alcohol. One of the girls, later identified as (SP2) Maria Irene Soriano (██████████), told me that she had drunk some beer. As she spoke, I smelled the odor of an intoxicating beverage on her breath. I then tested (SP2) Soriano's Breath Alcohol Content (B.A.C.) Using a portable Intoxilyzer 300 (Serial #050958D) and found that her B.A.C. Was 0.038%. A breath test of the other minors in the group showed no indication of alcohol in their systems.

I then asked the group who brought the beer. A white female, later identified by an Idaho Driver's License as Robin Lee Sword (ID ██████████) said that the beer belonged to her. When asked why she had allowed minors to drink her beer she said "I didn't let them, they just took it." I asked her if she tried to stop the underage minors from drinking her beer and she said "In a group like this you can't stop them. I just went down to the water." I then asked her if she did anything to stop the underage minors from drinking her alcohol and she said "No".

Due to the fact that (SP1) Sword, knowingly allowed an underage minor to consume her alcohol, she was cited for ARS 4.244.9 (Furnishing Alcohol to a Minor), and released at the scene (Citation #A782729).

Due to the fact that (SP2) Soriano had admitted to consuming alcohol, had registered 0.038% B.A.C., And the fact that I smelled an intoxicating beverage on her breath, she was cited for ARS 4-244.9 (Underage with any amount of alcohol in system) and released at the scene (Citation #782728).

Both suspects were photographed and a right thumb print was obtained at the scene prior to release.
